

Features:

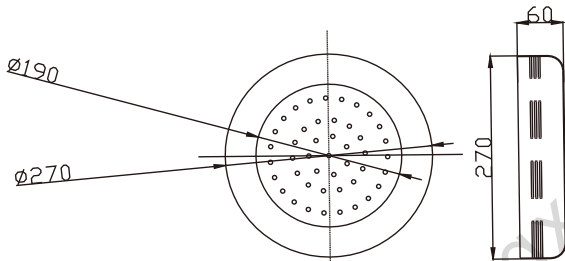

- 45PCS high efficient 3W LED diode .
- Ideal for all phases of plant growth :
clone , sprouting ,
budding ,flowering and fruiting .
- Built-in 1pcs low noise fan .
- Different ratio available for different plants .
- Cost effective LED,provides high luminosity with low power consumption .
- Average lifespan of 50000 hours.

UFO LED GROW LIGHT

Specifications : MX-UFO-135W

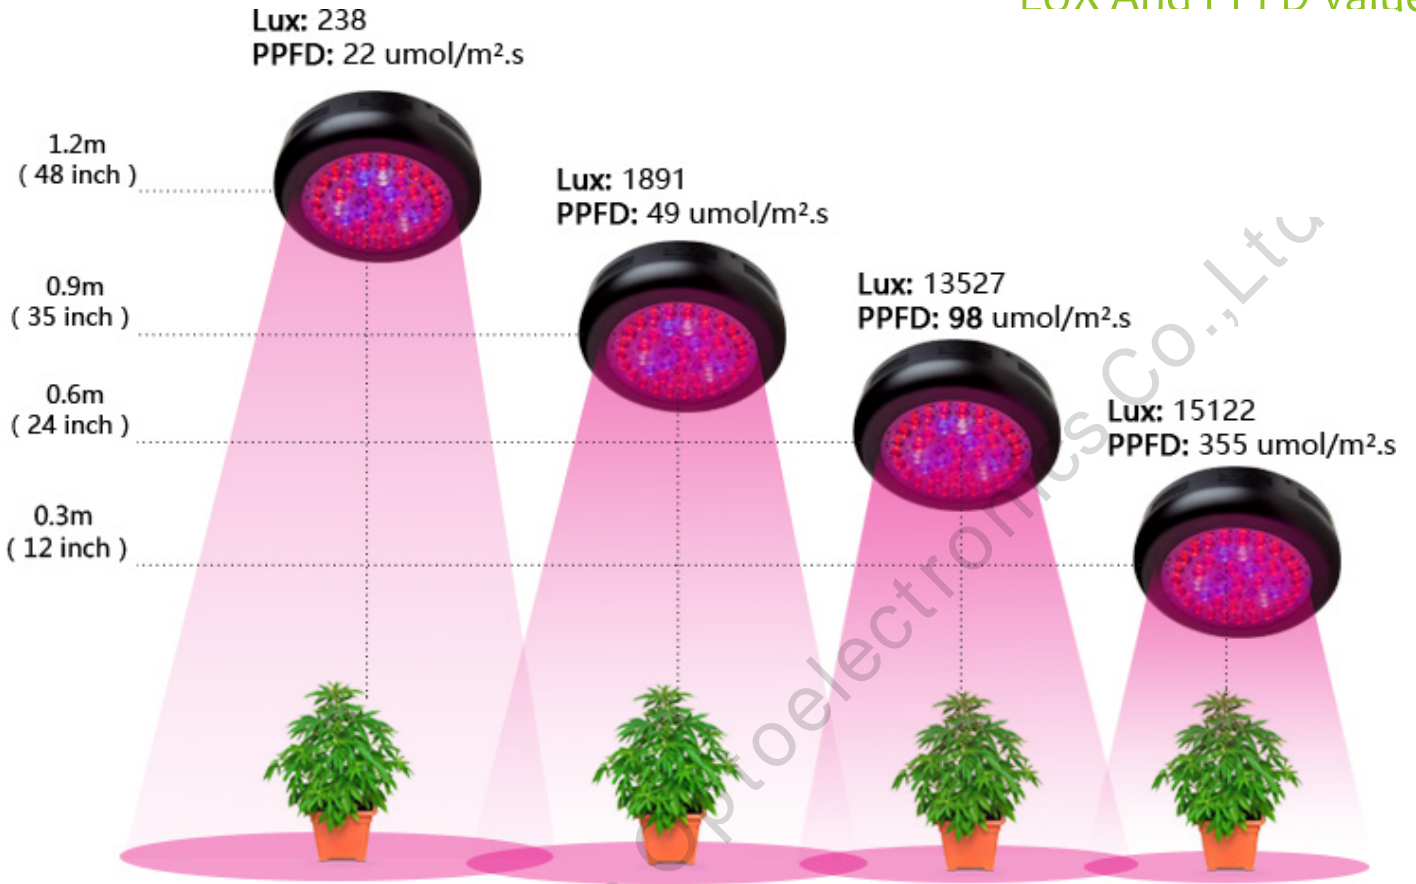

Power	135w
Qty	45pcs 3W LED
Size	Ø270X60mm
Packing Dimension	550X320X315mm/4PCS
Work frequency	50/60Hz
Lighting Area	0.5m ²
Wavelength	Red: Blue:White
Angle of leds	
Lumen	1710Lm
