

Noah 6 Plus LED Grow Light

Noah Plus Series 700W/1000W/1400W

Features:

- Perfect of high power 6pcs 106 W COB and 80pcs 5w chips.
- UL listed ,ideal for commercial applications
- Full spectrum for seedling to harvest growth .
- COBs are sourced from CREE COB, CITIZEN are available on request.
- Meanwell driver ,guarantee the LED efficiency, lifespan, and spectrum stability .
- Copper core heavy duty aluminum heatsink for best cooling ,no additional ventilation systems needed
- Secondary lense for highest PAR value and highest penetration.
- 50000 hours rating.

NOAH 6 PLUS

Specifications :	MX-NOAH6 PLUS-750W
Power	1000W
LED Qty	80pcs 5W LED & 6pcs 110W COB
Voltage	AC85-265V
Size	540X720X118mm
Packing Dimmension	855*630*210mm
N.W	24.1kg
Lumen	>58000Lm
Work frequency	50/60Hz
Wavelength Angle of leds	Red: Blue: White: IR CREE-XPE:60°; CXB3070:90°
